ASPIRING LEADER ASCENT

WITH

LEAD BELAY

For individual contributors who want to become managers, or better leaders in any role.

Thrive in your career

Ready to start managing? You know you want a leadership role, but don't know how to get started? The Aspiring Leader Ascent will help you gain the skills and confidence you need to rise in your career.

In this transformative experience, you'll be challenged and supported by a professional coach and a small group of peers as you gain the confidence and skill to succeed at the next level. Start your journey now to become the leader you want to be.

Develop your own unique leadership style while addressing:

- Leading from any role
- Building your leadership identity
- Professional self-advocacy
- Role of a manager
- Is people leadership for you?

PROFESSIONAL COACHING
You'll be guided by a trained and experienced leadership coach

SAFE PEER GROUP
You'll be part of a supportive group of 6 people, all from different organizations

PRACTICAL APPLICATION
You'll practice tangible new skills each week related to your career growth

REASONABLE COMMITMENT
Your group will meet virtually for 75 minutes weekly for 7 weeks at a time you choose

WEEK BY WEEK

Week 1 » Orienting to the journey and leading from any role

Week 2 » Living your values as you become a self-aware leader

Week 3 » Your career vision, professional relationships, and self advocacy

Week 4 » Role of the team leader, cohesive teams, your strengths, and your gaps

Week 5 » Group workshopping to address your greatest career challenges

Week 6 » Evolving your personal style and developing your leadership identity

Week 7 » Personal action planning to reach the next step in your career
