EMERGING LEADER ASCENT

WITH

LEAD BELAY

For managers who want to be great bosses, great leaders, and ascend in their career

Ascend in your career

Does the job of managing feel like it's harder than it should be? Most managers never get the help they need to reach their potential. The Emerging Leader Ascent will guide you as you become a great people leader and take your career to another level.

In this challenging, but inspiring, experience you'll be supported by a professional coach and a small group of peers as you gain the confidence and skill to succeed as a people leader. Start your journey now to become a leader worth following.

Become an exceptional people leader while addressing:

- Building a cohesive, inclusive team
- Difficult & direct conversations
- Accountability without eroding trust
- Developing your team
- Aligning team & org priorities

PROFESSIONAL COACHING
You'll be guided by a trained and experienced leadership coach

SAFE PEER GROUP
You'll be part of a supportive group of 6 people, all from different organizations

PRACTICAL APPLICATION
You'll practice tangible new skills each week related to your career growth

REASONABLE COMMITMENT
Your group will meet virtually for 60-90 minutes weekly for 9 weeks, at a time you choose

WEEK BY WEEK

Week 1 » Orienting to the journey & growth mindset
Week 2 » Leadership types & your leadership goals
