LinkedIn Learning

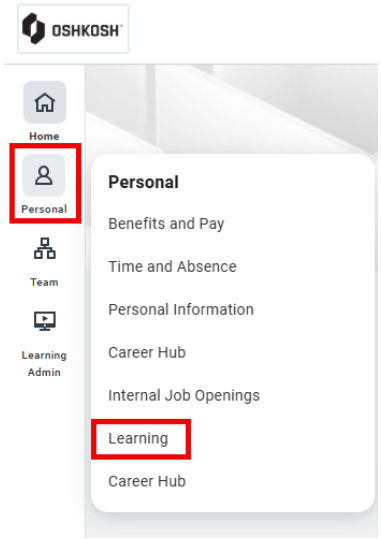

This guide outlines the process for team members to access and activate their LinkedIn Learning account offered by Oshkosh Corporation for personal and professional development. Outlined below are two ways team members can access their account followed by an outline of how to activate their account.

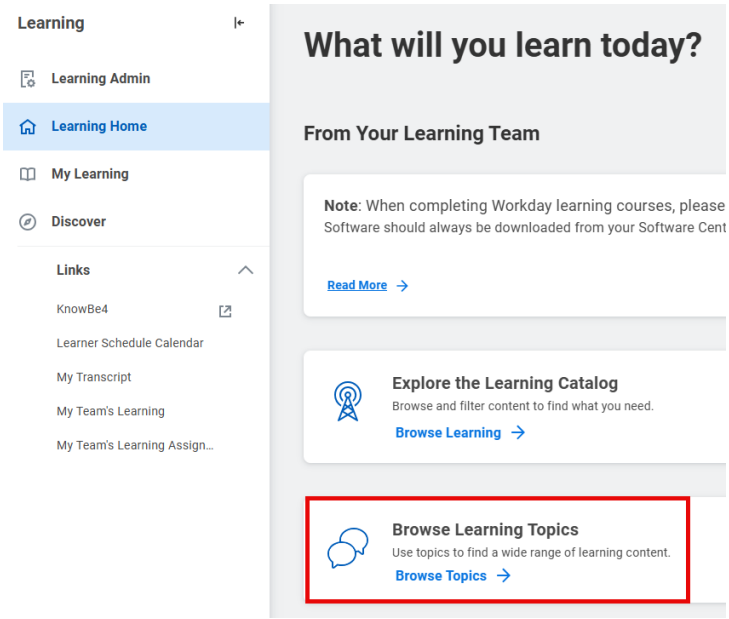

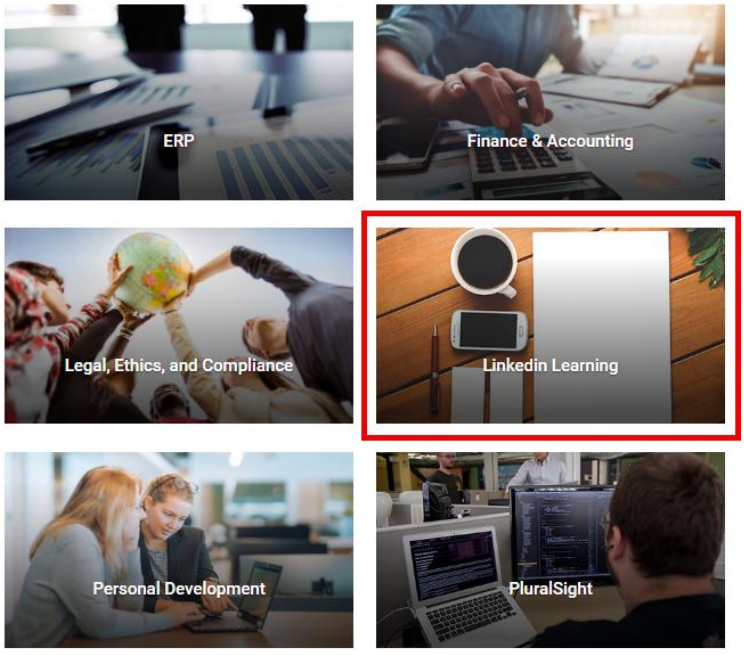

STEP 1: Access Linkedin Learning

OPTION #1: Access Directly with SSO Link

1. Access via a direct link →	https://lnkd.in/eUnb_umS
2. Log in with SSO.	
3. Once logged in, make sure you are on your homepage.	
4. Favorite this page or add it as a bookmark. That way you do not need to relocate the link each time!	
5. Skip down to step 2 below to fully activate your account.	

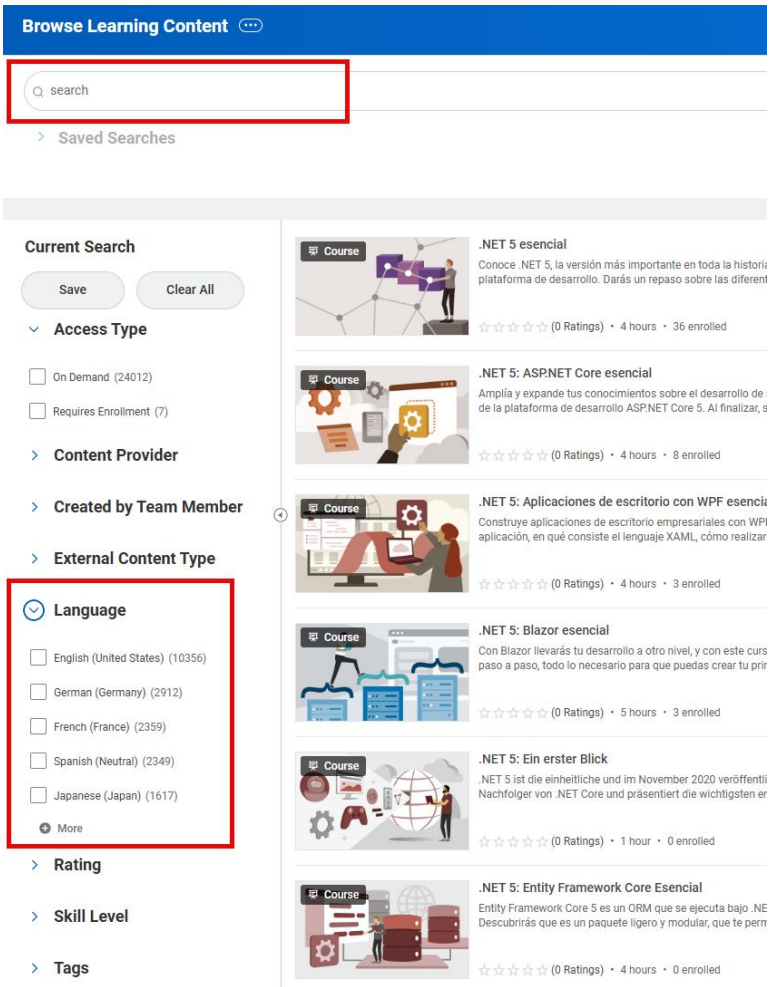

OPTION #2: Access through Workday – Browse Learning Content

1. Hover over “Personal” on the left-hand navigation pane. 2. Select “**Learning”.**	

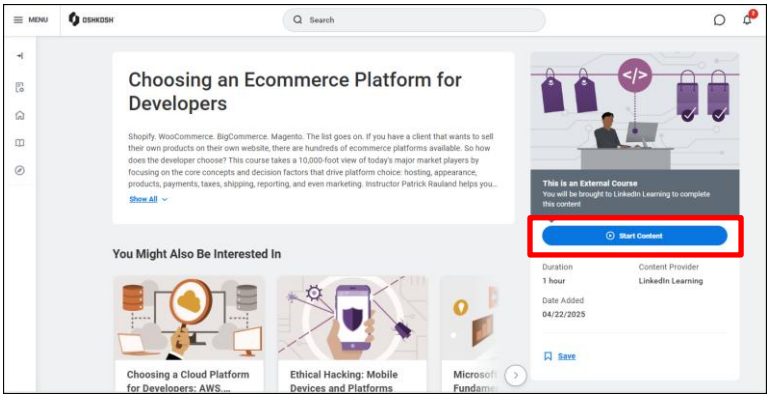

3. Select **Browse Learning Topics**.	
4. Select **LinkedIn Learning** from the tiles of topics.	

5. If you are looking to find courses from Linkedin based upon ad hoc keyword, you can use the **search bar.**

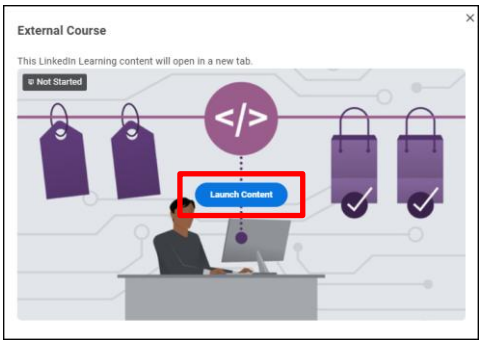

6. Use the filters on the left-hand side to filter for specific topics or languages.

7. Select **Start Content** to view the course within Linkedin.

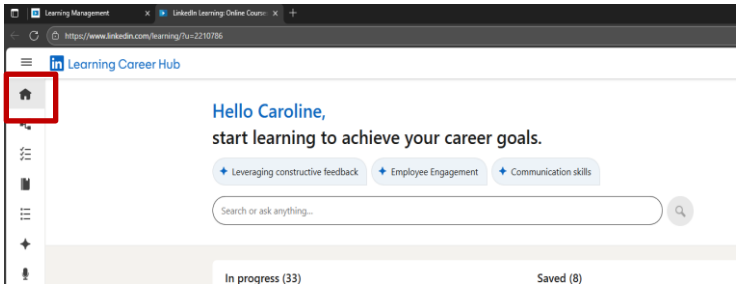

8. Select **Launch Content** to be routed to Linkedin to take the course.

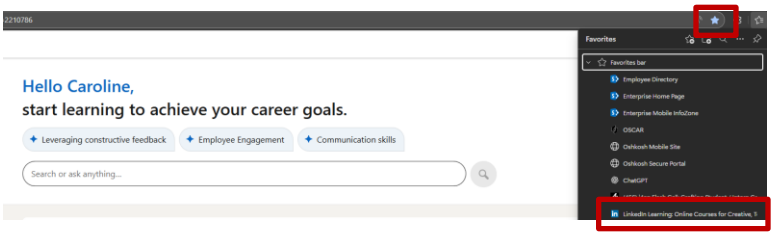

Note: in-progress and completed courses from Linkedin Learning will be tracked within Workday Learning for historical record keeping.

9. Once you've accessed LinkedIn Learning via Workday, click on the home button to access your personal homepage.

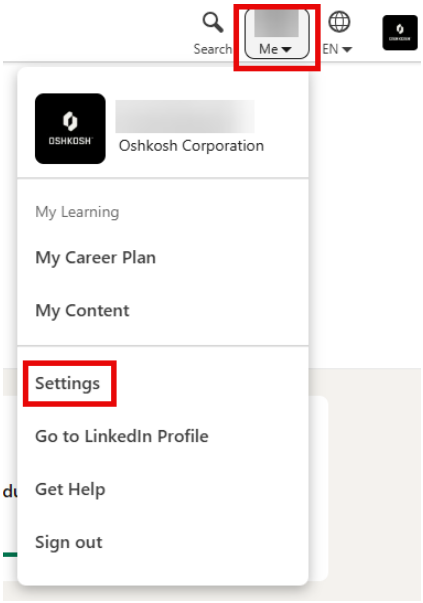

10. Favorite this page or add it as a bookmark. From now on, you can access LinkedIn Learning **directly** and not go through Workday!

Step 2: Activate Linkedin Learning Account

1. By default, this will NOT be connected to your personal LinkedIn account. If you'd like to link the two for an enhanced experience and recommendations:

2. Click on "Me" in the upper right-hand corner, then go to "Settings"

Please note:** *If you do NOT choose to connect your account,* ***any records of completed content will be lost if you leave Oshkosh Corporation*. We strongly recommend linking your personal LinkedIn account to your LinkedIn Learning account for the best experience.***

3. Scroll down to the bottom where it says “Connect your LinkedIn account to your LinkedIn Learning account provided by your organization and Click on “Connect my account”

4. You may choose to disconnect your account at any time.
